FORM · REQUEST FOR QUOTATION

Request for quotation – aluminum casting

Fill in the form on your computer, or print it and complete it by hand. Send it together with a 2D drawing in PDF and a 3D model in STEP format to **odlewnia@adjatech.pl** . We will check feasibility and select the casting technology and alloy. If anything is missing, we will contact you.

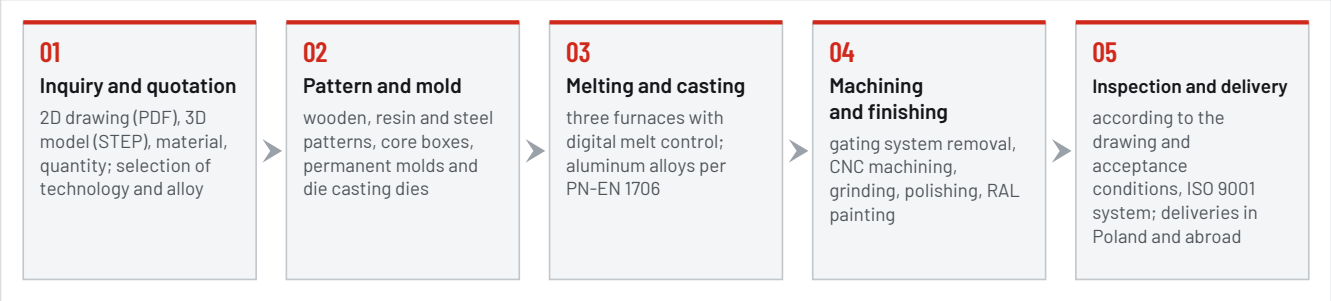

Fig. 1. From drawing to series delivery – five stages in one plant.

A Customer details

Company

Tax ID (NIP)

Contact person

E-mail

Phone

B Part and documentation

Part name

Drawing no. / part number

Attached files: ☐ 2D drawing (PDF) ☐ 3D model (STEP) ☐ other specify: _____

Casting weight (if known)

Dimensions (optional)

First delivery date

C Material, technology and quantities

Alloy per PN-EN 1706 (e.g. EN AC-42000)

Material condition / heat treatment

Technology: ☐ permanent mold ☐ sand mold ☐ die casting ☐ to be selected by the foundry

Prototype / trial pieces

Series quantity

Annual demand

D Technical requirements

General tolerances (e.g. DCTG class per PN-EN ISO 8062-3)

Functional / visible surfaces, roughness (Ra)

Testing: ☐ mechanical properties ☐ material microstructure ☐ radiographic ☐ penetrant

Documents: ☐ measurement report ☐ first article inspection document per PN-EN 10204, type: _____

E Machining and finishing

Machining: ☐ CNC machining per drawing ☐ grinding ☐ polishing

Electroplated coating: ☐ copper plating ☐ chrome plating ☐ nickel plating

Powder coating: ☐ matte ☐ gloss ☐ satin ☐ metallic ☐ textured RAL color: _____

F Packaging, delivery and notes

Packaging type	Place of delivery	Incoterms rule

Notes and additional requirements

Send to: odlewnia@adjatech.pl · tel. +48 61 662 43 37 (Mon–Fri 8:30 a.m.–4:30 p.m.). Questions about castings: Mikołaj Kosicki, +48 531 541 171, m.kosicki@adjatech.pl · machining: Rafał Wojtkowiak, +48 531 541 003, r.wojtkowiak@adjatech.pl. Information on the processing of personal data – see the Privacy Policy on the foundry's website.

Information as of: October 2026. This document is for information purposes only and does not constitute an offer within the meaning of Art. 66 § 1 of the Polish Civil Code. Order details – material, tolerances, scope of testing, lead times and price – are specified in the quotation and the order; commercial matters are governed by the General Terms of Sale of Adjatech Metalworking Sp. z o.o.
